

Mental Mathematics - Set C - Test 2

I am going to start with the practice question. I will then ask you 20 questions for the test. You will see a box on your answer sheet to write your answer. For some questions there will be some information on the sheet to help you.

I will read each question twice, and then you will have some time to work out the answer and write it down.

Here is the Practice Question. You will have 5 seconds to complete this question.

P	What are the two numbers shown on your answer sheet added together?
----------	--

Put your pens or pencils down. The answer is ...13..... Are there any questions?

Now we are ready to start the test. For the first group of questions you will have 5 seconds to work out each answer and write it down.

Answer Question Question
 Number

264	1	What number is shown in the abacus?
Square	2	Write down the name of the shape. Spelling is important
32	3	Sophie has fifteen felt tip pens. She is given seventeen more for her birthday. How many does she have now?
19	4	Listen to this number pattern, 3, 7, 11, and 15. What is the next number in the number pattern?
3 and 9	5	Look at the numbers on you answer sheet. Circle the odd numbers.

For the next group of questions you will have 10 seconds to work out each answer and write it down.

Answer Question Question
 Number

5	6	What is twelve minus seven?
24	7	Caroline has four bags of sweets. In each bag she has six sweets. How many sweets does Caroline have?
5	8	Raul has three dogs. He has fifteen dog biscuits that he wants to share equally amongst his three dogs. How many dog biscuits does each dog get?
180	9	How many degrees are on a straight line?
£1.42	10	How much money is shown?
5	11	Look at the calendar shown. How many Mondays are there in September?

Mental Mathematics - Set C - Test 2

3.30 (am/pm) or half past 3	12	What time will shown by the clock in 30 minutes?
=	13	Write in the correct symbol to make the sum correct.

For the next group of questions you will have 15 seconds to work out each answer and write it down.

Answer	Question Number	Question
16	14	What is half of thirty two?
5	15	What value does the symbol need to be to make the sum correct?
2005	16	Victoria was born 1st January 1997. In what year did she celebrate her eighth birthday?
21	17	What is the area of the shape shown?
10	18	What is four plus five takeaway six plus seven?
12	19	How many months are there in a year?
17	20	If a equals eight and b equals nine, what is the answer to a plus b ?

'Put your pens down. The test is over.'
